————-Mantra of Success

Hello & नमस्कार,

Since 2011, when I entered in Law field, I have felt that current system of studying law as a Law learner is quite traditional (like 1980's competition times). I strongly believed one thing that if you want to fight in present tough competition war like judiciary exams or any other law exam, you must be equipped with smart techniques to learn with tech support. One among such smart techniques is **OBSERVATION** of failure, success, experience of other candidates who already appeared in Judiciary Examinations like Paperathon Analysis, Interview Questions asked and Exam cracking strategy of selected Judges.

But Unfortunately so far, no such material is available in Indian market which comprises different strategies of Judges and Interview Questionnaire asked by Interview board to selected judges , So I have initiated such idea and compiled almost judiciary exam strategies of 50 plus selected Judges along with Questions asked in Interview . This book is partially linked with QR code through which candidates can understand many other strategies & Questionnaire . (Link is connected with official website www.LinkingLaws.com).

Now any judiciary aspirants may after reading real time strategies of different qualified candidates, customised one strategy for himself/herself .

THANK YOU will be a very small word to convey my gratitude towards to selected Judges for assisting in such compilation by providing insights & inputs , so showing my special regards to their humble contributions, I have made this unique and unprecedented book under co-authorship of all Judges who have shared their judiciary journey experiences within this book.

Lets' Crack Judiciary !!

Judiciary Interview Strategy

By Subodh Ashok Bhaisare

Maharashtra Judiciary 2021-22, Rank - 1

Preparation Strategy

My entire strategy was focused on developing judicial mind & imbibe pre-requisite qualities of a judicial officer like honesty, integrity, politeness, good knowledge and interpretation of law, etc before actually becoming one. I was consistent in my entire preparation stage. I planned my preparation into long-term goal, mid-term goal, short-term goal and daily goal. My long term goal or end goal was to clear the judiciary exam. My mid- term goal was to ace mains exam. My short term goal was to clear prelims exam and my daily goal was to complete daily targets. Accordingly, I executed my plan and secured Rank 1 in Maharashtra Judicial Service Exam.

For preliminary examination, I did exhaustive revisions of my hand-made notes combined with previous year papers. I tried to solve PYQs under the allotted time frame and my objective was to get 10 marks more than the year's cutoff marks. For prelims, my Bare Acts were my Geeta, Quran, Bible and Guru Granth Sahib. My main focus was to reduce the silly mistakes while solving the question paper.

For mains examination, I made my notes by combining the Bare Acts and Reference Books. I did exhaustive revisions of my 'go-to' notes. I solved the past year papers under the allotted time frame. Legal essays was extensively studied with the help of newspaper editorials, legal websites and legal law applications like LiveLaw, etc. For judgment writing, original judgments of esteemed judges were referred. In mains exam, my focus was on completing both the papers within the time-frame along with good presentation.

For interview exam, I studied every statement provided by me in the application form along with entire syllabus of prelims and mains exam. I studied legal general knowledge and general knowledge of Maharashtra. Current legal affairs, landmarks judgments and ongoing discussions of Hon'ble Supreme Court and High Courts were referred.
